PACKAGING

The image displays four different types of packaging materials, each shown in a separate panel. Each panel includes a QR code in the bottom right corner.

- Top Left:** Blue, flexible, rectangular packaging material, likely a type of bubble wrap or cushioning foam, shown in a cardboard tray.
- Top Right:** White, flexible, rectangular packaging material, likely a type of bubble wrap or cushioning foam, shown in a cardboard tray.
- Bottom Left:** Red, flexible, rectangular packaging material, likely a type of bubble wrap or cushioning foam, shown in a cardboard tray.
- Bottom Right:** Orange, flexible, rectangular packaging material, likely a type of bubble wrap or cushioning foam, shown in a cardboard tray.
