

RoHS FC CE

MADE IN CHINA

Rechargeable Li-ion Battery Pack
Model: 751U
Rating: 11.1V 5200mAh / 58Wh

WARNING: Do not short circuit, disassemble, or expose to fire. Do not use in high temperature environments. Do not use in high humidity environments. Do not use in high pressure environments. Do not use in high vibration environments. Do not use in high magnetic field environments. Do not use in high electromagnetic interference environments. Do not use in high radio frequency environments. Do not use in high power environments. Do not use in high speed environments. Do not use in high acceleration environments. Do not use in high deceleration environments. Do not use in high shock environments. Do not use in high impact environments. Do not use in high drop environments. Do not use in high fall environments. Do not use in high fall height environments. Do not use in high fall speed environments. Do not use in high fall acceleration environments. Do not use in high fall deceleration environments. Do not use in high fall shock environments. Do not use in high fall impact environments. Do not use in high fall drop environments. Do not use in high fall height environments. Do not use in high fall speed environments. Do not use in high fall acceleration environments. Do not use in high fall deceleration environments. Do not use in high fall shock environments. Do not use in high fall impact environments. Do not use in high fall drop environments.
