

CAUTIONS
PRECAUTIONS
VORSICHT

Do not expose this item to high temperatures (50°C).
Do not expose this item to direct sunlight or heat.
Do not use this item in a wet or humid environment.
Do not use this item in a high magnetic field.
Do not use this item in a high static electric field.
Do not use this item in a high electromagnetic interference (EMI) field.
Do not use this item in a high radio frequency (RF) field.
Do not use this item in a high voltage field.
Do not use this item in a high current field.
Do not use this item in a high power field.
Do not use this item in a high frequency field.
Do not use this item in a high speed field.
Do not use this item in a high acceleration field.
Do not use this item in a high vibration field.
Do not use this item in a high shock field.
Do not use this item in a high impact field.
Do not use this item in a high pressure field.
Do not use this item in a high vacuum field.
Do not use this item in a high humidity field.
Do not use this item in a high salt field.
Do not use this item in a high acid field.
Do not use this item in a high alkali field.
Do not use this item in a high oil field.
Do not use this item in a high dust field.
Do not use this item in a high fiber field.
Do not use this item in a high bacteria field.
Do not use this item in a high virus field.
Do not use this item in a high parasite field.
Do not use this item in a high toxin field.
Do not use this item in a high allergen field.
Do not use this item in a high irritant field.
Do not use this item in a high carcinogen field.
Do not use this item in a high mutagen field.
Do not use this item in a high teratogen field.
Do not use this item in a high reproductive toxin field.
Do not use this item in a high developmental toxin field.
Do not use this item in a high neurotoxin field.
Do not use this item in a high immunotoxic field.
Do not use this item in a high hematotoxic field.
Do not use this item in a high nephrotoxic field.
Do not use this item in a high hepatotoxic field.
Do not use this item in a high cardiotoxic field.
Do not use this item in a high neuroleptic field.
Do not use this item in a high anesthetic field.
Do not use this item in a high sedative field.
Do not use this item in a high hypnotic field.
Do not use this item in a high narcotic field.
Do not use this item in a high psychotropic field.
Do not use this item in a high psychoactive field.
Do not use this item in a high mind-altering field.
Do not use this item in a high consciousness-altering field.
Do not use this item in a high perception-altering field.
Do not use this item in a high reality-altering field.
Do not use this item in a high identity-altering field.
Do not use this item in a high self-altering field.
Do not use this item in a high world-altering field.
Do not use this item in a high universe-altering field.
Do not use this item in a high everything-altering field.

Do not use this item in a high temperature field.
Do not use this item in a high humidity field.
Do not use this item in a high salt field.
Do not use this item in a high acid field.
Do not use this item in a high alkali field.
Do not use this item in a high oil field.
Do not use this item in a high dust field.
Do not use this item in a high fiber field.
Do not use this item in a high bacteria field.
Do not use this item in a high virus field.
Do not use this item in a high parasite field.
Do not use this item in a high toxin field.
Do not use this item in a high allergen field.
Do not use this item in a high irritant field.
Do not use this item in a high carcinogen field.
Do not use this item in a high mutagen field.
Do not use this item in a high teratogen field.
Do not use this item in a high reproductive toxin field.
Do not use this item in a high developmental toxin field.
Do not use this item in a high neurotoxin field.
Do not use this item in a high immunotoxic field.
Do not use this item in a high hematotoxic field.
Do not use this item in a high nephrotoxic field.
Do not use this item in a high hepatotoxic field.
Do not use this item in a high cardiotoxic field.
Do not use this item in a high neuroleptic field.
Do not use this item in a high anesthetic field.
Do not use this item in a high sedative field.
Do not use this item in a high hypnotic field.
Do not use this item in a high narcotic field.
Do not use this item in a high psychotropic field.
Do not use this item in a high psychoactive field.
Do not use this item in a high mind-altering field.
Do not use this item in a high consciousness-altering field.
Do not use this item in a high perception-altering field.
Do not use this item in a high reality-altering field.
Do not use this item in a high identity-altering field.
Do not use this item in a high self-altering field.
Do not use this item in a high world-altering field.
Do not use this item in a high universe-altering field.
Do not use this item in a high everything-altering field.
