

CAUTION
Do not use the battery pack if it is damaged or if it has been exposed to fire or excessive heat.
Do not use the battery pack if it is swollen or if it has been exposed to liquid.
Do not use the battery pack if it is leaking or if it is emitting a strong odor.
Do not use the battery pack if it is emitting smoke or if it is making a loud noise.
Do not use the battery pack if it is emitting a strong heat.
Do not use the battery pack if it is emitting a strong light.
Do not use the battery pack if it is emitting a strong sound.
Do not use the battery pack if it is emitting a strong vibration.
Do not use the battery pack if it is emitting a strong magnetic field.
Do not use the battery pack if it is emitting a strong electric field.
Do not use the battery pack if it is emitting a strong radio frequency field.
Do not use the battery pack if it is emitting a strong electromagnetic field.
Do not use the battery pack if it is emitting a strong electromagnetic interference field.
Do not use the battery pack if it is emitting a strong electromagnetic compatibility field.
Do not use the battery pack if it is emitting a strong electromagnetic compatibility interference field.
Do not use the battery pack if it is emitting a strong electromagnetic compatibility compatibility field.
Do not use the battery pack if it is emitting a strong electromagnetic compatibility compatibility interference field.
