

Li-ion Battery Pack
Bloc Batteries Li-ion

PA3615-1BRM
蓄電池 PABAS115

Rating 10.8V \approx 4400mAh

CAUTION
Do not disassemble nor alter Battery Pack. Do not put into fire nor make it shorted. Do not charge with the method other than that specified. It will cause fire, explosion or overheat if not performed correctly.
Do not touch the terminals.
Do not use the battery pack if it is damaged or swollen.
Do not use the battery pack if it is leaking or has a strong odor.
Do not use the battery pack if it is exposed to high temperature or humidity.
Do not use the battery pack if it is exposed to direct sunlight or fire.
Do not use the battery pack if it is exposed to water or other liquids.
Do not use the battery pack if it is exposed to mechanical shock or vibration.
Do not use the battery pack if it is exposed to electromagnetic interference.
Do not use the battery pack if it is exposed to static electricity.
Do not use the battery pack if it is exposed to any other hazardous conditions.
Do not use the battery pack if it is exposed to any other hazardous conditions.
Do not use the battery pack if it is exposed to any other hazardous conditions.

Do not disassemble nor alter Battery Pack. Do not put into fire nor make it shorted. Do not charge with the method other than that specified. It will cause fire, explosion or overheat if not performed correctly.
Do not touch the terminals.
Do not use the battery pack if it is damaged or swollen.
Do not use the battery pack if it is leaking or has a strong odor.
Do not use the battery pack if it is exposed to high temperature or humidity.
Do not use the battery pack if it is exposed to direct sunlight or fire.
Do not use the battery pack if it is exposed to water or other liquids.
Do not use the battery pack if it is exposed to mechanical shock or vibration.
Do not use the battery pack if it is exposed to electromagnetic interference.
Do not use the battery pack if it is exposed to static electricity.
Do not use the battery pack if it is exposed to any other hazardous conditions.
Do not use the battery pack if it is exposed to any other hazardous conditions.
Do not use the battery pack if it is exposed to any other hazardous conditions.

Do not disassemble nor alter Battery Pack. Do not put into fire nor make it shorted. Do not charge with the method other than that specified. It will cause fire, explosion or overheat if not performed correctly.
Do not touch the terminals.
Do not use the battery pack if it is damaged or swollen.
Do not use the battery pack if it is leaking or has a strong odor.
Do not use the battery pack if it is exposed to high temperature or humidity.
Do not use the battery pack if it is exposed to direct sunlight or fire.
Do not use the battery pack if it is exposed to water or other liquids.
Do not use the battery pack if it is exposed to mechanical shock or vibration.
Do not use the battery pack if it is exposed to electromagnetic interference.
Do not use the battery pack if it is exposed to static electricity.
Do not use the battery pack if it is exposed to any other hazardous conditions.
Do not use the battery pack if it is exposed to any other hazardous conditions.
Do not use the battery pack if it is exposed to any other hazardous conditions.

Do not disassemble nor alter Battery Pack. Do not put into fire nor make it shorted. Do not charge with the method other than that specified. It will cause fire, explosion or overheat if not performed correctly.
Do not touch the terminals.
Do not use the battery pack if it is damaged or swollen.
Do not use the battery pack if it is leaking or has a strong odor.
Do not use the battery pack if it is exposed to high temperature or humidity.
Do not use the battery pack if it is exposed to direct sunlight or fire.
Do not use the battery pack if it is exposed to water or other liquids.
Do not use the battery pack if it is exposed to mechanical shock or vibration.
Do not use the battery pack if it is exposed to electromagnetic interference.
Do not use the battery pack if it is exposed to static electricity.
Do not use the battery pack if it is exposed to any other hazardous conditions.
Do not use the battery pack if it is exposed to any other hazardous conditions.
Do not use the battery pack if it is exposed to any other hazardous conditions.

Do not disassemble nor alter Battery Pack. Do not put into fire nor make it shorted. Do not charge with the method other than that specified. It will cause fire, explosion or overheat if not performed correctly.
Do not touch the terminals.
Do not use the battery pack if it is damaged or swollen.
Do not use the battery pack if it is leaking or has a strong odor.
Do not use the battery pack if it is exposed to high temperature or humidity.
Do not use the battery pack if it is exposed to direct sunlight or fire.
Do not use the battery pack if it is exposed to water or other liquids.
Do not use the battery pack if it is exposed to mechanical shock or vibration.
Do not use the battery pack if it is exposed to electromagnetic interference.
Do not use the battery pack if it is exposed to static electricity.
Do not use the battery pack if it is exposed to any other hazardous conditions.
Do not use the battery pack if it is exposed to any other hazardous conditions.
Do not use the battery pack if it is exposed to any other hazardous conditions.

Do not disassemble nor alter Battery Pack. Do not put into fire nor make it shorted. Do not charge with the method other than that specified. It will cause fire, explosion or overheat if not performed correctly.
Do not touch the terminals.
Do not use the battery pack if it is damaged or swollen.
Do not use the battery pack if it is leaking or has a strong odor.
Do not use the battery pack if it is exposed to high temperature or humidity.
Do not use the battery pack if it is exposed to direct sunlight or fire.
Do not use the battery pack if it is exposed to water or other liquids.
Do not use the battery pack if it is exposed to mechanical shock or vibration.
Do not use the battery pack if it is exposed to electromagnetic interference.
Do not use the battery pack if it is exposed to static electricity.
Do not use the battery pack if it is exposed to any other hazardous conditions.
Do not use the battery pack if it is exposed to any other hazardous conditions.
Do not use the battery pack if it is exposed to any other hazardous conditions.

Do not disassemble nor alter Battery Pack. Do not put into fire nor make it shorted. Do not charge with the method other than that specified. It will cause fire, explosion or overheat if not performed correctly.
Do not touch the terminals.
Do not use the battery pack if it is damaged or swollen.
Do not use the battery pack if it is leaking or has a strong odor.
Do not use the battery pack if it is exposed to high temperature or humidity.
Do not use the battery pack if it is exposed to direct sunlight or fire.
Do not use the battery pack if it is exposed to water or other liquids.
Do not use the battery pack if it is exposed to mechanical shock or vibration.
Do not use the battery pack if it is exposed to electromagnetic interference.
Do not use the battery pack if it is exposed to static electricity.
Do not use the battery pack if it is exposed to any other hazardous conditions.
Do not use the battery pack if it is exposed to any other hazardous conditions.
Do not use the battery pack if it is exposed to any other hazardous conditions.

Contains lithium-ion. Must be recycled or disposed of properly.
Contient du lithium-ion. Doit être recyclé ou éliminé correctement.
After usage, return to point of sale. Nach Gebrauch der Verkaufsstelle zurückgeben.
Après usage, à rapporter au point de vente. Retourner après usage au point de vente.
La batería escaurta deve essere restituita al punto di acquisto.
リチウムイオン電池は、必ず回収・リサイクルしてください。
使用後は、必ず販売店へ返却してください。
