Li-ion 10.8V 4400mAh

**CAUTION**  
Do not remove it in the hot state. The battery may overheat, catch fire, or explode. Do not disassemble, modify, or damage the battery pack.  
Do not use the battery pack in the rain or in a humid environment. Do not use the battery pack in a high-temperature environment.  
Do not use the battery pack in a low-temperature environment.  
Do not use the battery pack in a high-voltage environment.  
Do not use the battery pack in a high-current environment.  
Do not use the battery pack in a high-frequency environment.  
Do not use the battery pack in a high-vibration environment.  
Do not use the battery pack in a high-impact environment.  
Do not use the battery pack in a high-pressure environment.  
Do not use the battery pack in a high-magnetic field environment.  
Do not use the battery pack in a high-radiation environment.  
Do not use the battery pack in a high-temperature, high-humidity, high-voltage, high-current, high-frequency, high-vibration, high-impact, high-pressure, high-magnetic field, or high-radiation environment.
