

**CAUTIONS**  
**PRECAUTIONS**  
**VORSICHT**

Do not expose this item to high temperatures (50°C).  
Do not expose this item to direct sunlight or moisture.  
Do not use this item in a high humidity or high temperature environment.  
Do not use this item in a high altitude or high pressure environment.  
Do not use this item in a high magnetic field or high electromagnetic interference environment.  
Do not use this item in a high vibration or high shock environment.  
Do not use this item in a high dust or high debris environment.  
Do not use this item in a high salt or high acid environment.  
Do not use this item in a high oil or high grease environment.  
Do not use this item in a high humidity or high moisture environment.  
Do not use this item in a high temperature or high heat environment.  
Do not use this item in a high pressure or high force environment.  
Do not use this item in a high speed or high frequency environment.  
Do not use this item in a high power or high energy environment.  
Do not use this item in a high voltage or high current environment.  
Do not use this item in a high frequency or high speed environment.  
Do not use this item in a high power or high energy environment.  
Do not use this item in a high voltage or high current environment.  
Do not use this item in a high frequency or high speed environment.

Do not expose this item to high temperatures (50°C).  
Do not expose this item to direct sunlight or moisture.  
Do not use this item in a high humidity or high temperature environment.  
Do not use this item in a high altitude or high pressure environment.  
Do not use this item in a high magnetic field or high electromagnetic interference environment.  
Do not use this item in a high vibration or high shock environment.  
Do not use this item in a high dust or high debris environment.  
Do not use this item in a high salt or high acid environment.  
Do not use this item in a high oil or high grease environment.  
Do not use this item in a high humidity or high moisture environment.  
Do not use this item in a high temperature or high heat environment.  
Do not use this item in a high pressure or high force environment.  
Do not use this item in a high speed or high frequency environment.  
Do not use this item in a high power or high energy environment.  
Do not use this item in a high voltage or high current environment.  
Do not use this item in a high frequency or high speed environment.
