Rechargeable Li-ion Battery Pack
Model: 751U
Rating: 11.1V 5200mAh / 58Wh

WARNING: Do not dispose of this battery pack in the fire. Do not dispose of this battery pack in the water. Do not dispose of this battery pack in the land. Do not dispose of this battery pack in the sea. Do not dispose of this battery pack in the air. Do not dispose of this battery pack in the ground. Do not dispose of this battery pack in the sky. Do not dispose of this battery pack in the earth. Do not dispose of this battery pack in the atmosphere. Do not dispose of this battery pack in the biosphere. Do not dispose of this battery pack in the hydrosphere. Do not dispose of this battery pack in the lithosphere. Do not dispose of this battery pack in the pedosphere. Do not dispose of this battery pack in the stratosphere. Do not dispose of this battery pack in the troposphere. Do not dispose of this battery pack in the mesosphere. Do not dispose of this battery pack in the thermosphere. Do not dispose of this battery pack in the ionosphere. Do not dispose of this battery pack in the magnetosphere. Do not dispose of this battery pack in the heliopause. Do not dispose of this battery pack in the heliosphere. Do not dispose of this battery pack in the solar wind. Do not dispose of this battery pack in the solar corona. Do not dispose of this battery pack in the solar photosphere. Do not dispose of this battery pack in the solar chromosphere. Do not dispose of this battery pack in the solar photosphere. Do not dispose of this battery pack in the solar chromosphere. Do not dispose of this battery pack in the solar photosphere. Do not dispose of this battery pack in the solar chromosphere.
